3. *Confirm all tax payments received from the Brazos County tax office and compare the amounts listed to the books and records of the District.*

Total taxes received during the year ended September 30, 2018 were as follow:

Confirmed by Brazos County	
Tax Assessor Collector	\$ 276,840
Deposits in ESD bank account	<u>276,541</u>
Difference	<u>\$ (299)</u>

4. *Verify that the ESD maintains a separate bank account, that the signers on the bank account are ESD board members and that monthly statements are received by someone other than the person responsible for recording the receipts and disbursement of the ESD. Verify that the bank statements are reconciled with the books of the ESD for each month of the fiscal year.*

We verified by inspection of bank statements that ESD #3 maintains a separate account for tax funds. Based on inquiry of the Treasurer, Rusty Lewis, authorized signers are the President, Treasurer and Assistant Treasurer, and all checks require two signatures. We were able to observe this as canceled checks were returned with the bank statement. Based on inquiry of the Treasurer, the bank statement is received by the Treasurer who reconciles the bank statement monthly. These reconciliations were provided to us, and we inspected the reconciliations for all twelve months. At each regular monthly board meeting, Rusty presents the board with the reconciliation, and bank statement for the previous month. All expenditures and checks for the current month are discussed and approved at board meetings.

5. *Report any discrepancies noted. A discrepancy is described as any disbursement not supported by appropriate supporting documentation, any disbursement that does not appear to be in accordance with the approved budget or any payment received by the District that is not recorded properly in a timely manner.*

- None noted.
